

of form to bring the Ruby coloured wine  
for a guest was come Ruk afa had an  
apple in her hand which she presented to  
him Ghete afroz said "Why are You angry  
at our guest that You present him with  
an apple He who stomachs an apple must  
be angry indeed said Ruk afa Better  
however it were a quince said Ghete Afroz  
and immediately a quince as a sign of  
welcome was presented to Meleek Mahommed  
still however My Brothers confusion preven-  
-ted him from entering on conversation till  
the Ruby wine that foe to Modesty was  
handed Faends in silver Goblets Ruk afa  
acted the Cup bearer and when she had presen-  
-ted ten goblets to Meleek Mahommed he  
became a little more tranquil Ghete afroz  
there looking him in the face said How do  
You now guest I will make You a present of Your  
fair Cup bearer - the Object of my devotion is single  
and sufficient said he I can receive no other  
"Ghete afroz was pleased and said I am glad  
to find Your affection so refined and shall  
be happy to see You some days in this company  
but Man is an impatient creature and from  
his impatience result many Misfortunes which  
he is very apt to lay to our charge so You  
had better take Ruk afa as a Remedy of  
impatience.
