Sequel of the Adventures of Roshen Zemir
When Roshen Zemir had arrived so far in
the story Semen Rub interrupted him But
tell Me My excellent Young Man whether
the lady ever returned to her father and Mother
He answered perhaps not The Shick asked
Semen Rub how she was and how she found
herself By Gods favour said she I am pretty
well and monstrously sleepy be quick with
the story that I may get asleep The Shick
looked towards Azar Shah and said this
slowness bod is well By God, favour she
will be quite recovered by the time the story
is finished "Azar Shah instantly fell at
the feet of the Shick cannot you be patient
till the story is done said Semen Rub
and do not interrupt us besides I feel &
Myself still a little uneasy let us proceed
blessed be the Mark said Azar Shah I see
that the lady is recovering her senses Go on
with the rest of your story said the Shick
to Roshen Zemir who immediately resumed
his Narration. ~
