

Shick and his disciples and they all said  
by the blessing of God the queen would  
certainly recover from her Malady. —

When the servant of Sheti Afroz saw  
that Melech Mahommed was transformed  
into an afs that took sticks and beat  
him and drove him out of the apart-  
ments of the queen God a Mercy thought  
he what an unlucky job is this I have  
bought on my own head what shall I do  
now or what scheme I fall upon "Having  
no other resource he trudged off to the  
city and coming to his <sup>wife's</sup> ~~upstays~~ house &  
attempted to enter The Chobdars presently  
saluted him with their cudgels and  
having thrashed him well drove him  
away It was then he felt all the dis-  
-grace of his afs's shape and being quite  
at a loss to which hand to turn himself  
he consoled himself with the idea that. —

What ever by a friend is thrown  
Is lucky be it stick or stone

He then took the road to his own house  
when who should he encounter but his  
own servants again who ran for stick  
to beat him but there the afs had the  
heels of them and scapering nimbly  
into his own house he tumbled &  
himself
